The Cabarrus County Chapter

Since 1917, the Cabarrus County Chapter has provided services to Cabarrus County and the City of Kannapolis. Through the continued tradition of dedicated volunteers, the Chapter continues to help people during times of disaster, provide emergency communications for members of the Armed Forces and their families, coordinate efforts to collect lifesaving units of blood, and provide opportunities for the community to take classes in CPR, First Aid and AED. All of this is supported by the generosity of our Cabarrus County neighbors.
